

# ILLINOIS FIRE SERVICE INSTITUTE

UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN

## LEADERSHIP DEVELOPMENT & DECISION MAKING

The LDDM Program provides a one of a kind training experience. LDDM instructors introduce each topic with foundation material and then through a Socratic teaching style immerse the students in the topic through highly interactive small group discussions and exercises.

This program is designed to be “cradle-to-grave” fire service leadership development/decision-making training and education continuum that has consistent themes, priorities, and lines of education in order to institutionalize the highest-quality leadership in the fire service. **Training is provided for three standard fire service levels; firefighter, fire officer and chief officer.** Each level within the LDDM Program is provided relevant opportunities for development, which are specific to their rank across seven common Lines of Education (LOE).
